

# *Huntington Landmark*

Dear Residents,

Please know that the wild ducks within the community are protected by California's Department of Fish and Wildlife – the following is an excerpt from their website which addresses duck contact:

*“No person shall pursue, drive, herd or take any bird or mammal from any type of motor-driven air or land vehicles, motorboat, airboat, sailboat or snowmobile” (California Code of Regulations Title 14, section 251). Also, “No person shall harass, herd or drive any game or nongame bird or mammal or furbearing mammal. For the purposes of this section, harass is defined as an intentional act which disrupts an animal's normal behavior patterns, which includes, but is not limited to breeding, feeding, or sheltering” (CCR Title 14, section 251.1).*

Concerned residents have reached out to management stating they have witnessed other residents harassing ducks within Landmark. Please do not disturb the ducks as this is a federal regulation.

Thank you,

*Huntington Landmark Management Office*
