

# *Huntington Landmark*

Dear Residents:

Guests, resident-hired contractors, Uber/Lyft drivers, food deliveries, Postmates, Door Dash, etc. must be given your **name and Unit number** and must be directed specifically to enter the community through the **Atlanta/Main Gate**. The address for the gate entrance is:

**8641 Atlanta Ave.  
Huntington Beach, CA 92646**

Security will direct your guest, contractor, etc. using the Unit number and address you provided. This prevents drivers from attempting access at the currently closed Indianapolis gate, which often results in unsuccessful delivery and worse, gate strikes. Both gates have 24-hour surveillance which captures video, audio and documents vehicle license plates.

Owners are responsible for all actions of their guests, contractors, etc. This includes payment of gate strikes and other damages caused by them – owners will be billed for gate-strike damages.

Thank you,

*Management*
