It has been rewarding to serve as HL President, and together, we have accomplished many projects for the community. We are financially stable and our Reserves have gained 2% this year. Operating expenses are within budget. Under my leadership, we have achieved responsible management and more open, direct communication.

Several projects have been accomplished:

- ~Landscape Renovation, 2 Phases
- ~New Fencing, Main Pool Area
- ~Major Rooms, MRA Repainted
- ~New Garage Doors, Phase 3
- ~New Gates, Indianapolis Entrance (planned for Fall)
- ~New Landscape, Indianapolis Entrance (planned for Fall)
- ~New Refrigerator, Main Lounge
- ~New Management Company
- ~Community Lighting Improved

I have provided a professional approach to our Board meetings. All major contracts have been renegotiated to our benefit. I have earned the respect of the community and I want to continue to serve.

I pledge to you to “Keep Landmark Strong”, fight for our residents and respect your opinions. I will continue to make Huntington Landmark the most outstanding community for Seniors in Orange County.

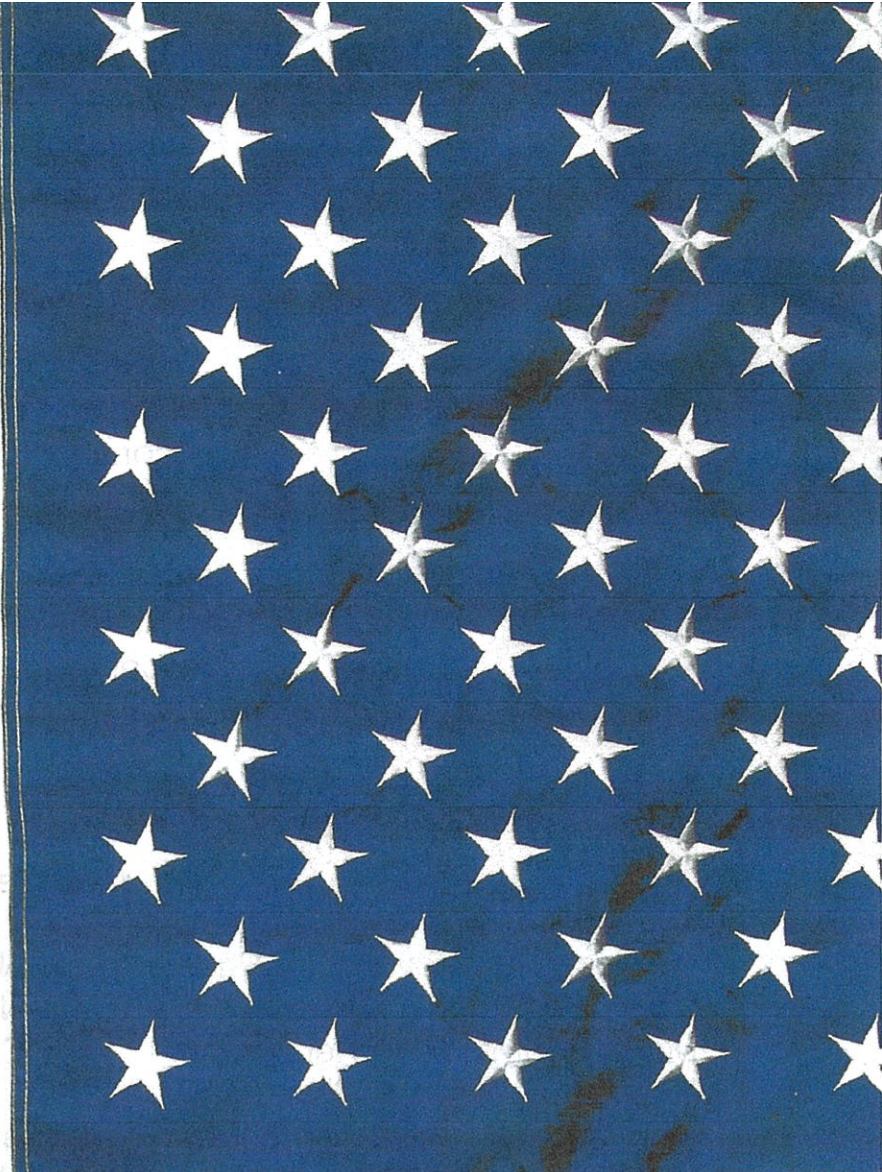

Together, we can make that happen. **LANDMARK STRONG**
